

TIPS TO TAKE CARE OF YOUR CLOTHES

► **Follow these easy tips to ensure your clothes always look great!**

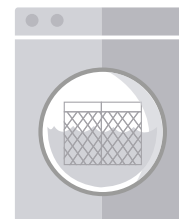

Read and follow the laundering instructions on the tag; they are designed by the manufacturer to ensure your garment stays in great shape.

Wash and iron clothes inside out because they retain their original color and finish.

Make sure the pockets are empty. If the garment has a detachable embellishment, remove it before washing. Zip and button your clothes before washing them.

To keep your lingerie and delicates in great shape, place them in a mesh lingerie wash bag and use the delicate cycle.
