

BODY SHAPERS

FIT

- **There are many types of body shapers** that help smooth various parts of your body. Learn about the best styles for your needs:

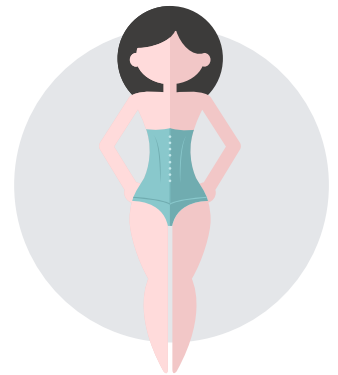

Waist cinchers

Waist cinchers offer perfect waist firm control. Wear them under garments with a low waist.

Camisoles

A camisole is a shaping tank top with cups and straps. It offers a smooth look thanks to its tummy control panel. Ideal to wear under a blouse or a dress.

Bodysuit

Bodysuits sculpt and slim your silhouette by targeting the torso and the waist. Wear them under any outfit.

Slips

Slips offer overall smoothing properties to enhance your figure while keeping you cool. Wear them under a dress or a skirt.

Thigh slimmers

Thigh slimmers provide all-over support to slim the rear and the thighs. We recommend you wear them under body-hugging dresses.

Body shaper leggings

Leggings tone your thighs and lift your rear for a flawless look under body-hugging pants.
