

CHOOSE THE BEST BELT FOR YOU

STYLE TIPS

► **Do you know the best belt**
style for your body type?
Follow these useful tips:

Plus size women

Shape: Wider belts look best on you.
Color: Dark solid colors will make you look thinner.
Wear it on the thinnest part of your waist.

Tall women

Shape: Any shape works with your body type. Choose wide belts to look shorter and thinner belts to highlight your waist.
Color: Play with colors that you like and blend with your tops.
Wear it on the thinnest part of your waist.

Petite women

Shape: Medium wide or thin belts work best for your body type.
Color: Wear a belt of the same color of your top to elongate your torso.
Wear it on your hips to further elongate your torso.

Thin women

Shape: Wider belts look best on you because they make your hips look wider.
Color: Bright colors with attractive buckles.
Wear it on the thinnest part of your waist to highlight your silhouette.

Curvy women

Shape: Thin belt look best on you because they subtly accentuate your curves.
Color: Dark solid colors will highlight your curves.
Wear it a bit below your natural waist.
